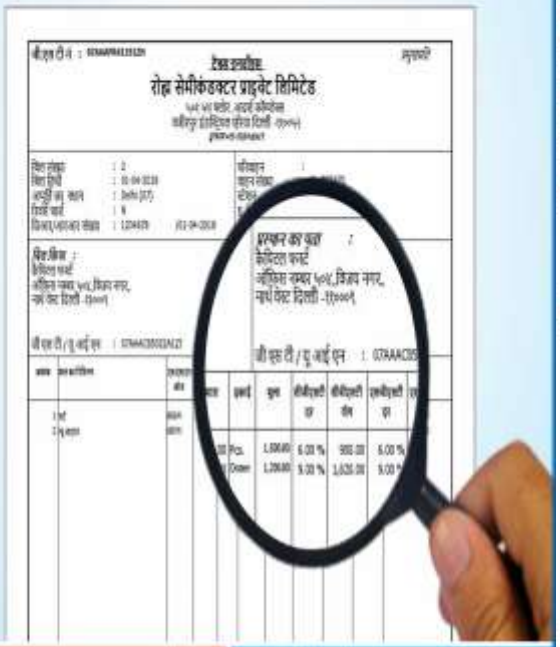
Print Invoice in Local Language with BUSY



Over 250,000 Installations Worldwide | Over 400 Business Partners

Busy BUSINESS ACCOUNTING SOFTWARE

The Complete GST Solution

Like most of the other business software, BUSY also input / output all data in English language. But sometimes it is required to print Invoice and other documents in user's local language like Hindi, Marathi, Bengali and Arabic etc. To manage the same, user can enable **'Second Language Support'** feature in BUSY. With the help of this feature, user can set a second language which is other than English and can specify Company / Item / Account details in that language for the purpose of printing.
